INTRODUCTION TO AMERICORPS

AmeriCorps is a program of the Corporation for National and Community Service (called the Corporation or CNCS), an independent federal agency. The mission of the Corporation is to improve lives, strengthen communities, and foster civic participation through service and volunteering. For more than 20 years, the Corporation—through its Senior Corps, AmeriCorps, and Social Innovation Fund programs—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

Through its grant-making efforts and support of traditional volunteerism, the Corporation:

- Directs the power of national service to solve a common set of challenges;
- Expands opportunities for all Americans to serve;
- Builds the enduring capacity of individuals, organizations, and communities to effectively use service and volunteering to solve community problems; and
- Embraces innovative solutions that work.

In order to maximize the impact of the investment in national service, the Corporation is focused on funding programs that can demonstrate an evidence-based approach to creating community impact and solving community problems. Applicants for AmeriCorps funding must demonstrate a well-researched need within the community, a sound plan to engage AmeriCorps members in meeting the community need, and the ability to design and implement effective evaluation systems to capture the outcomes of the AmeriCorps program and members' service.

AmeriCorps grants are awarded to eligible organizations to recruit, train, and manage AmeriCorps members during a defined term of service. An AmeriCorps member is an individual who is enrolled in an approved national service position and engages in community service. Members may receive a living allowance and other benefits while serving, and AmeriCorps positions may be full-time, part-time, or less than part-time. Upon successful completion of their service, members may receive a Segal AmeriCorps Education Award from the National Service Trust.

The Corporation administers AmeriCorps funding through a network of State Service Commissions. These commissions review grant applications, select grant recipients for state funding or national competition, and monitor grant activities. The information in this document addresses AmeriCorps State funding in Maryland. The Maryland Service Commission is the Governor's Office on Service and Volunteerism (GOSV).

Extensive information about AmeriCorps, as well as details on all other funding and activities at the Corporation, may be found at www.nationalservice.gov.

MARYLAND GOVERNOR'S OFFICE ON SERVICE AND VOLUNTEERISM

The Governor's Office on Service and Volunteerism (GOSV) funds and supports volunteer service efforts that engage all Marylanders to strengthen our communities. Through the combined efforts of supporting traditional volunteerism and funding national service AmeriCorps programs, the GOSV provides solutions to Maryland's most pressing needs in the areas of disaster services, education, environmental awareness, healthy futures, economic opportunity, and veterans and military families.

Funding for National Service Programs

The GOSV is the State Service Commission for the national service AmeriCorps program. The office works with the Maryland Governor's Commission on Service and Volunteerism to review grant applications, complete grant selection, and administer all awards for AmeriCorps State funding each year. *In the 2016 – 2017 grant year, the GOSV funded 19 AmeriCorps programs for nearly \$4.4 million dollars in federal funds.*

Governor's Commission on Service and Volunteerism

The Governor's Commission on Service and Volunteerism was created to review and approve all AmeriCorps State funding in Maryland and to serve as a body of ambassadors for service and volunteerism in local communities. The Governor-appointed bi-partisan commission also assists in the development and implementation of a three-year strategic plan for service which sets funding and program priorities for allocation of AmeriCorps funds and promotes volunteerism and community service broadly.

Volunteer Recognition for Maryland's Citizens

The Governor's Office has a long tradition of investing in and celebrating the myriad of community services provided by all citizens. The GOSV provides a variety of opportunities for schools, community organizations, businesses, faith-based organizations, and non-profits to honor the contributions of local volunteers. From certificates for service to state-wide events such as the annual Governor's Volunteer Appreciation Day at the Maryland State Fair, the GOSV serves as the voice of thanks for all of the dedicated volunteers across Maryland.

Additional information about national service AmeriCorps funding in Maryland, as well as details on all other funding and activities at the GOSV, may be found at GOSV.maryland.gov.

Proposed Grant Period: August 15, 2017 – August 14, 2018

Matching Requirement: Overall match rate starts at 24% for the first three years of the grant and annually increases as outlined in the AmeriCorps Regulations (§2521.60).

Eligible Applicants: Public or private nonprofit organizations, including labor organizations; faith-based and other community organizations; schools or school districts; institutions of higher education; government entities within states or territories (e.g., cities, counties); Indian Tribes; or partnerships or consortia of the above, including applicants that have never received funding from GOSV or AmeriCorps, are eligible to apply. Intermediary organizations intending to re-allocate resources locally are also encouraged to apply for grants. Any organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, 26 U.S.C. 501(c)(4) that engages in lobbying activities is not eligible to apply, serve as a host site for member placements, or act in any type of supervisory role in AmeriCorps programs. The same project cannot be funded by multiple AmeriCorps grants.

AmeriCorps Funding Cycles: The GOSV annually hosts two core AmeriCorps grant cycles – Competitive and Formula – in addition to other special AmeriCorps grant opportunities.

Applicants to the current AmeriCorps State Targeted Priority Grant must be approved by the GOSV and then compete against other programs across the country. The grant cycle includes several levels of review and may involve external Peer Reviewers. Details for each grant cycle will be posted on the GOSV's website (GOSV.maryland.gov; Available Funding tab). The AmeriCorps funding cycles occur each year and are entirely subject to the appropriation and availability of federal AmeriCorps funds for the Corporation for National and Community Service (CNCS).

Specific deadlines, registration for training and technical assistance (in-person and online), and grant application instructions are posted on the GOSV's website. In general, these are the major steps in each grant cycle:

Concept Paper Deadline and Submission Requirements: The deadline for submission is *March 10, 2017, at 10:00 am EST*. Concept Papers must be submitted via one single emailed PDF document to Sarahy.kim@maryland.gov. The Concept Paper must be typed and follow the style format of this document (left justified, one inch margins, TNR 12 point font, numbered pages). There are multiple elements of the Concept Paper (cover sheet, narratives, performance management worksheet, budget worksheet, organizational chart, and acknowledgement of terms); this entire packet of information must be submitted as one single PDF attachment. Attach the Concept Paper to an email with this subject line: 2017 AmeriCorps State Targeted Priority Concept Paper. Use this naming convention for the single PDF attachment: <Name of Legal Applicant Concept Paper>. You may also deliver the Concept Paper in hard copy format to the GOSV, 100 Community Place, Crownsville, MD 21032. Concept Papers received after 10:00 am on March 10 will not be considered.

Concept Paper Review Process: The GOSV will review each Concept Paper and notify the applicant of the outcome of the review via email. Applicants may be invited to submit a full grant application via eGrants. To determine whether or not an applicant should be invited to submit a full grant application, the GOSV review will address these questions:

1. Do the Legal Applicant and the proposed program meet the AmeriCorps funding eligibility guidelines?
2. Does the Concept Paper address one of the national priority funding areas?
3. Does the proposed AmeriCorps program include direct AmeriCorps member service that would lead to identified CNCS performance measure objectives?
4. Does the applicant identify the national performance measure(s) addressed by the AmeriCorps member service?
5. Does the proposal offer a new or expanded service to Maryland citizens?

6. Does the proposal duplicate any existing efforts (funded by AmeriCorps or another source)?
7. Did the applicant fully address all required elements of the Concept Paper?
8. Does the proposal demonstrate an adequate understanding of required AmeriCorps program management and restrictions/prohibited activities?
9. What are the strengths and weaknesses of each element of the Concept Paper?
10. How viable is the proposal, given the GOSV's experience with and knowledge of the AmeriCorps grant-making process?

Each of these items is equally important in assessing whether or not a Concept Paper applicant will be invited to complete a full grant application in eGrants. Pending the outcome of this review, applicants may be invited to submit a full grant application for AmeriCorps State Targeted Priority Funding due April 14, 2017 via eGrants (the AmeriCorps online grants management program).

GOSV Technical Assistance: For organizations invited to submit full grant applications, the GOSV will provide an introduction to eGrants webinar on March 30, along with individual negotiations with each applicant during the grant cycle.

GOSV Contact for the 2017 Maryland AmeriCorps State Targeted Priority Concept Paper: Sarah Kim, Grants Coordinator, Sarahy.kim@maryland.gov. In general, all questions or correspondence concerning this Concept Paper should be sent via email. Use "Concept Paper Question" as the subject line of email correspondence regarding this document.

NATIONAL PRIORITY FUNDING AREAS

Applicants for AmeriCorps funding must address one of the national service priority funding areas and objectives of the Corporation for National and Community Service (CNCS). The priority issue area is identified in bold below, and programs must provide at least one of the impact objectives listed after the issue area. This is a requirement for AmeriCorps funding, and these priority areas have changed since 2009.

For each of these priority areas, the Corporation has identified specific objectives and, in many cases, standard performance measures that AmeriCorps programs must meet. For extensive information on CNCS funding goals, performance objectives, strategies, and priority measures, read the CNCS Strategic Plan at www.nationalservice.gov/about/strategic-plan.

1. **Healthy Futures:** Reducing and/or preventing prescription drug and opioid abuse
2. **Safer Communities:** Strengthening law enforcement and community relations

In order to receive priority consideration and three points for submitting an application within a Notice priority(ies), applicants must demonstrate that the priority area is a significant part of the program focus and intended outcomes and must include a high quality program design. Responses that propose programs for the purpose of receiving priority consideration are not guaranteed funding.

Applicants that do not fall within these two funding priorities will be considered noncompliant and will not be reviewed.

2017-2018 AMERICORPS PROHIBITED ACTIVITIES

While charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by the AmeriCorps program or CNCS, staff and members may not engage in the following activities (see 45 CFR § 2520.65):

1. Attempting to influence legislation;
2. Organizing or engaging in protests, petitions, boycotts, or strikes;
3. Assisting, promoting, or deterring union organizing;
4. Impairing existing contracts for services or collective bargaining agreements;
5. Engaging in partisan political activities, or other activities designed to influence the outcome of an election to any public office;

Engaging in religious instruction, conducting worship services, providing instruction as part of a program that includes mandatory religious instruction or worship, constructing or operating facilities devoted to religious instruction or worship, maintaining facilities primarily or inherently devoted to religious instruction or worship, or engaging in any form of religious proselytization;
8. Providing a direct benefit to— a. a business organized for profit; b. a labor union; c. a partisan political organization; d. a nonprofit organization that fails to comply with the restrictions contained in section 501(c)(3) of the Internal Revenue Code of 1986 related to engaging in political activities or substantial amount of lobbying except that nothing in these provisions shall be construed to prevent participants from engaging in advocacy activities undertaken at their own initiative; and e. an organization engaged in the religious activities described in paragraph C. 7. above, unless CNCS assistance is not used to support those religious activities;
9. Conducting a voter registration drive or using CNCS funds to conduct a voter registration drive;
10. Providing abortion services or referrals for receipt of such services; and
11. Such other activities as CNCS may prohibit.

AmeriCorps members may not engage in the above activities directly or indirectly by recruiting, training, or managing others for the primary purpose of engaging in one of the activities listed above. Individuals may exercise their rights as private citizens and may participate in the activities listed above on their initiative, on non-AmeriCorps time, and using non-CNCS funds.

GOSV Policy: Grantees must include a copy of, and training on, the AmeriCorps prohibited activities in member and site supervisor orientation/training at the beginning of the year. Compliance with the prohibited activities must be monitored throughout the program year.

CONCEPT PAPER DEVELOPMENT TIPS

AmeriCorps grant competitions are fierce; each year, there are significantly more applications than available funding will support. It is extremely important that your proposal is thoroughly completed and well-presented. Below are ideas to help you present your project in the best way possible:

- **ASSESS YOUR FIT WITH AMERICORPS:** Be sure that your proposal addresses the national priority funding areas and that you are familiar with AmeriCorps program requirements. Demonstrate this knowledge in your proposal.
- **PAINT A VIVID PICTURE OF YOUR NEED:** Help the reviewers understand who you are, what the needs of your community are, and how AmeriCorps can help better serve Maryland citizens. Provide specific details on your agency, community, programs, partners, etc. Avoid generalities and boilerplate language. There is no room in the Concept Paper for filler language.
- **FOLLOW THE RULES:** Provide the information in the order and format that it is requested. Do not attach any information that is not explicitly required; do not direct the Concept Paper reviewers to refer to web links for further information. No additional information will be considered in the review of your Concept Paper.
- **FOCUS ON YOUR PROPOSAL'S READABILITY:** Present your organization and program ideas in the best possible light so that the reviewers can focus on your content and the needs of your community. One important way to do this is to make your document very easy to read – help the reviewers stay focused on your ideas by presenting a well-written and very polished document. Engage a strong writer and proof reader to complete all elements of the Concept Paper (especially the narratives), and be sure that you have time to carefully check your document for grammar, spelling, etc., prior to submission. Avoid overusing acronyms and write the Concept Paper for a broad audience of readers who are not familiar with your organization or the community you serve.
- **DO YOUR RESEARCH:** Be sure to make use of the resources you have to learn about AmeriCorps and develop a strong proposal. Find these at [GOSV.maryland.gov](https://gostv.maryland.gov) (Available Funding tab) and www.nationalservice.gov (under Build Your Capacity). You can also find all kinds of information on performance management, fiscal oversight, and more at the National Service Knowledge Network (www.nationalserviceresources.org).

ADDITIONAL REFERENCES

In addition to the resources noted above, it will be very important for your organization to make sure you are aware of and in alignment with the program and financial management requirements for AmeriCorps funds. You should be sure to read all the current grant year Provisions at <http://www.nationalservice.gov/build-your-capacity/grants/managing-ameri-corps-grants>. And you can find a link to all AmeriCorps Regulations online at <http://www.ecfr.gov>.

You may also find the federal Notice of Funding Opportunity and full 2017 grant application instructions at www.nationalservice.gov. Please note that the Maryland Application deadline for 2017 Targeted Priority funding will be on ***April 14, 2017; and it will be by invitation only***. The federal application shows the deadline for national programs (i.e. operating in multiple states) and commissions (i.e. the GOSV) to submit applications (May 2017), and this can be confusing for individuals who are new to the process of applying for AmeriCorps funding.

MARYLAND AMERICORPS CONCEPT PAPER OUTLINE

III. **PERFORMANCE MANAGEMENT WORKSHEET (3 page limit – includes outline)**

AmeriCorps members and programs must produce measurable and tangible results to address community problems within the program or grant year. In the worksheet below, provide a summary of the primary outcome of the AmeriCorps member service you described in your narrative. This information should provide a clear link to the community need and AmeriCorps member direct service described in the narrative.

PERFORMANCE MANAGEMENT WORKSHEET
Type your answers into the blank row following each question. This completed worksheet must not exceed three pages; the three page limit includes the outline/instructions below. Do not delete the outline/instructions. Maintain TNR 12 point font throughout the document.
<u>Primary</u> Service Activity of AmeriCorps Members
What is the ONE major focus of effort for the AmeriCorps member positions you are requesting (e.g. tutoring, environmental education, <i>or</i> delivering meals)?
Program Design
What is the title of the requested AmeriCorps member positions?
How many AmeriCorps members would be participating in this activity?
How many days per week (on average) would this activity occur?
How many hours per day (on average) would this activity occur?
What is the proposed start date for this activity?
What is the proposed end date for this activity?
Who are the clients/recipients of the AmeriCorps member service (e.g. senior citizens at Hampden Senior Center, fifth grade students at Rockledge Elementary School)? How many clients would be served? For the number of clients served, provide a specific number or range.

Program Logic Model
What are your <u>inputs</u> ? Inputs are the resources and materials you will use to provide your activities (e.g. number of AmeriCorps members and number of service sites or communities where the work will occur).
What are your <u>outputs</u> ? Outputs are the amount of activity provided, described in quantifiable terms (e.g. 25 students tutored each semester, 500 students educated on environmental stewardship, 3,000 meals delivered to homebound seniors). Include at least one output from the CNCS National Performance Measures.*
What are the <u>outcomes</u> of your PRIMARY service activity? Outcomes are characteristics of recipients/beneficiaries of service that are expected to change as a result of the AmeriCorps members' service activity. Short-term outcomes are changes in awareness or knowledge (e.g. improved reading skills, increased awareness of environmental issues); long-term outcomes are changes in behavior, global changes, or community impacts (e.g., increased high school graduation rates as a result of improved academic skills or stronger communities as a result of long-time residents staying in their homes). You must provide at least one outcome of your primary service activity that is achievable and measurable within the AmeriCorps grant year. Include at least one outcome from the CNCS National Performance Measures.*
Program Performance Measurement
What evaluation tools would you use to measure the results of the member service?
When would the evaluation tools be administered?
Who would create and administer the evaluation tools, and then collect and analyze the data? Identify by name, job title, and organization (if different than Legal Applicant for the Concept Paper).

***Information on the National Performance Measures can be found at**

IV. BUDGET WORKSHEET (2 page limit – includes outline)

Complete the following simplified worksheet to illustrate the funding necessary to complete your proposed AmeriCorps program. You do not need to provide line item detail in this worksheet; simply estimate the amount of federal AmeriCorps funds you would request and the amount of matching funds you would commit should you be invited to submit a full AmeriCorps grant application. Be sure to carefully check your math on each row and in your total columns. The maximum allowable amount of federal AmeriCorps funds requested per MSY is \$13,830 (as of date of posting and subject to change in 2017).

VI. ACKNOWLEDGEMENT OF TERMS (1 page limit)

Submit this list of acknowledgements along with the signature as part of the Concept Paper PDF email by the deadline.

With the submission of the AmeriCorps Concept Paper, I understand that:

- the Concept Paper serves two functions: (1) it is a planning tool to help organizations explore several key AmeriCorps program elements without the burden of submitting a full application online (which requires a minimum of 40 staff hours); and (2) it is a screening tool for the GOSV to use to quickly assess the viability of applicants for AmeriCorps program funding competition;
- the GOSV's review criteria are published in the Concept Paper instructions;
- details on national AmeriCorps funding priorities and program requirements are published online (www.nationalservice.gov);
- a summary of all applicants will be published on the GOSV's website and distributed to funders and other stakeholders following the announcement of final decisions; this summary will include the name and address of the legal applicant and a brief description of the proposed AmeriCorps program;
- the submission of a Concept Paper does not guarantee that the applicant will be invited to submit a full grant application;
- the submission of a Concept Paper or grant application does not guarantee that the applicant will receive funding;
- the GOSV will correspond with the identified Concept Paper Contact via email;
- the Concept Paper review decisions are final;
- the GOSV staff, in general, do not schedule one-on-one meetings with applicants regarding their submissions (prior to submission or after the final decisions have been announced);
- the GOSV will provide a brief summary of application's strengths and challenges no later than 90 business days following the announcement of the final Concept Paper review decisions.

I understand and agree to these terms:
